You who claim to promote purity, why do you make a mutt of National Socialism by mixing it with Fascism?

NATIONAL SOCIALISM NOT FASCISM

National Socialism, as the right ideology and only remedy, has to be carefully differentiated from Fascism with which it is commonly and conveniently lumped by opponents, and carelessly confused by adherents. The former is founded on and inseparable from the conception of the folk or racial community.

This determines the nation, and this delineates its citizenship. With National Socialism, as Arnold Leese put it, "Race is the basis of politics"[1]

It inescapably follows from this that National Socialism, properly understood in its inevitable implications, is not and cannot be a simply conventional nationalism, even one based on a proclaimed racial identity, albeit one geographically circumscribed and confined. Racial characteristics, whatever the particular blend within a particular country, transcend the boundary of that country, and thus potentially unite where the barriers of conventional nationalism divide.

The Aryans of this earth have been brought to their present appalling plight by way of the divisive wars of conventional nationalism with non-Aryans fostering and profiting by the friction. The creed of salvation must thus be one of pan-Aryan racialism. Fascism, despite merits, is not founded on race, and is *not* pan-Aryan.

Instead it is only a reformed and vitalized nationalism for the old, geographical, national state. This is why Mussolini in his early days of power, before the influence of Germany as an ally was felt, had Jewish colleagues, and the *Fascist Week* in the UK (27th of April - 3rd of May 1934) included a report that "The Chief Rabbi (of Italy) was a Fascist, and was a strong supporter of Mussolini."

It is why his granddaughter, Alessandra Mussolini – standing as a candidate for the modified version of the MSI in the March 1994 elections, and obtaining 50.4% of the vote in the racial rubbish heap of Naples happily played the part of a Jewess in a 1989 film, and dismisses anti-Jewish opinion as "old hat" (*Sunday Telegraph*, 5th of December, 1993)

1: Whilst a subtle difference, the original quote comes "The Aryan Civilisation is Only Killed by Race Mixture" in which it states: " *Race is the basis of all true politics*."

Based on recognition of Race, and with this being not only the recognition of and zeal to preserve the racial identity of the Aryan folk as distinct from other folk, but also of qualitative differences within the folk itself, and the need therefore to improve the recognition also of qualitative differences within the folk itself, and the need therefore to improve the breed as the most effective way to produce a better society; National Socialism applies this racial outlook to all aspects of government and all else of life in a totality of comprehension.

It derives an ardour for economic and social justice from the notion of kinship; an adhesion to leadership within a hierarchy of talent and responsibility from an appreciation of the workings of Nature conductive to the ascendancy of the superior; and from this oneness with Nature a desire to conserve by organic management the resources of this planet.

Colin Jordan stands out from all other National Socialists. His life was National Socialism.

This leads to "ugly" truths. These are not ugly to *actual followers* of the ideology, such as Jordan or Koehl, but are to those who follow a *misbranded version* of National Socialism.
